Dear Sirs,

Please kindly note that our company SEAMASTER MARINE AGENCY Ltd. is duly certified and can provide full range of services in crewing and recruitment matters.

All of our seafarers, crew and officers are carefully selected to meet the specific requirements of our clients.

Our mission is to provide vessel operators with high quality, cost efficient and personalized crew management services which will support and encourage safe and efficient ship operation.

Our staff fully complies with international requirements for DP fleet management.

Our company can provide with qualified repair squads on vessels during their voyages too.

Our service can arrange obtaining, via our travel agency, any types of visas, booking tickets to various destinations worldwide, as well as render any assistance to seafarers including transportation by air, railway and bus service in Ukraine.

Personnel of the company have experience in this field for the last 10 years.

If you would like further information, simply contact us.

Our company is at your disposal for further cooperation you may need.

Capt. Vladimir Yurkov,

Director.
